

maison maxine

mission

maison maxine makes canned red wine spritzes from organically farmed Napa Valley wine grown at our family's vineyard, Gubel Family Vineyards. A handful of whole ingredients, no refined sugar, at a light ABV. Our mission is to make red wine light, clean and easy to share. At maison maxine, we believe in: simplicity. honesty. quality. joy. and giving back, with 5% of profits going to animals in need.

“reimagining red wine for the modern muse”

clean . honey-sweetened . napa cabernet . light . sparkling . giftable .
nostalgic . effortless . chic

target consumers

maison maxine is made for women 21 to 35, especially Gen Z and younger millennials who want a drink that looks as good as it tastes. They read labels, skip the sugar bombs and still want something that feels like wine.

They're hosting, getting ready, at the beach or on the patio, and they care about the story behind what they buy.

two flavors

cab spritz - red wine x ginger ale

Napa Cabernet, ginger, lemon juice and honey. Nothing else. 5% ABV, 250 mL can, **no refined sugar**.

sparkling sangria

Napa Merlot, orange, apple and lemon. 6% ABV, 250 mL can, **no refined sugar**.

sell-through

Our first production run sold out, and every account that has been with us long enough to reorder has.

“people pick it up for the can and come back because
it's clean.”
